2nd ANNUAL CONFERENCE PSYDERMCON

2024

BRIDGING SKIN & PSYCHE

6th & 7th
DECEMBER
2 0 2 4

PGIMER, CHANDIGARH

Towards A Greener Future

Invitation

Dear Colleagues,

On behalf of the Psychodermatology Association of India, it gives us great pleasure to welcome you to the 2nd Annual Conference, Psydermcon 2024 to be held at PGIMER, Chandigarh.

Psychodermatology, an evolving and interdisciplinary field, offers a holistic approach to treating skin disorders by addressing both dermatological and psychological aspects. This year's theme, "Bridging Skin & Psyche," reflects our commitment to exploring the complex interplay between the mind and skin, and how this understanding can lead to better patient care and outcomes.

We are proud to feature a distinguished panel of both national and international faculty who will share their expertise, present the latest research, and lead in-depth clinical education sessions. Alongside the scientific program, Psydermcon 2024 will offer a fantastic opportunity for networking and collaboration among healthcare professionals who share a passion for this unique field.

We look forward to welcoming you to Chandigarh, a city known for its rich culture and vibrant atmosphere, to make Psydermcon 2024 a memorable and impactful event.

Warm regards,

Organizing Committee

POSTGRADUATE QUIZ REGISTRATION DEADLINE

15th November 2024

**FINAL REGISTRATION DEADLINE
(CONFERENCE & WORKSHOP)**

5th December 2024

CONFERENCE DATES

6th-7th December 2024

Towards A Greener Future

CONFERENCE HIGHLIGHTS

Lectures:

The conference will feature a wide array of topics, offering in-depth analysis and practical strategies for managing psychocutaneous disorders such as delusional infestation, trichotillomania, and skin-picking disorders. Additionally, there will be a Symposium on Pediatric Psychodermatology and Mental Health Issues in Leprosy and Neglected Tropical Diseases. Each session will include a 5-minute interactive Q&A to promote active engagement from delegates.

Workshops:

Hands-on workshops will focus on Mindfulness and Habit Reversal Techniques, providing valuable insights into incorporating mindfulness-based approaches into dermatological care.

Eminent National Faculty:

Renowned national experts will lead the sessions, ensuring a rich learning experience with case-based discussions on various psychodermatology topics.

CME Credits:

Attendees will have the opportunity to earn 8 CME credit hours, accredited by the Haryana Medical Council.

ABSTRACT SUBMISSION

We invite you to submit your abstracts for oral and poster presentations at Psydermcon 2024. This is your opportunity to contribute to the advancement of psychodermatology and share your research with a distinguished audience.

Submission Deadline: 30th October 2024

Submission Guidelines: The title should be concise and reflective of the abstract content. Include full names and affiliations of all authors, with the presenting author marked by an asterisk (*). Structure the abstract body into either Background, Objectives, Methods, Results, Conclusion; or Background, Case Presentation, Conclusion. The word limit is a maximum of 300 words.

Prepare your abstract in a Word document and email it to psydermcon2024@gmail.com with the subject line "Psydermcon 2024 Abstract Submission."

Accepted abstracts will be presented as oral or poster presentations, as determined by the scientific committee.

The top three posters and top three oral presentations will be awarded prizes, recognizing outstanding research and presentation skills."

POSTGRADUATE QUIZ

Test your knowledge in psychodermatology at the Postgraduate Quiz, a special feature of Psydermcon 2024. This is an excellent opportunity for PG students to engage, learn, and compete.

- **Quiz Registration Deadline:** 15th November 2024

- **Quiz Guidelines:** Each team can consist of a maximum of two members, and multiple teams from the same institution are welcome. Participants should not have completed their post-graduation at the time of the conference (December 7, 2024).

To register, email us at psydermcon2024@gmail.com with the subject line "Psydermcon 2024 PG Quiz Registration," including the names of the participants, their affiliations, and contact details. Please also attach a letter of endorsement from your Head of Department.

ABOUT CHANDIGARH

Chandigarh, nestled at the foothills of the Shivalik Range, is a city where modernity meets tranquility. Designed by the legendary architect Le Corbusier, it stands as a beacon of urban planning, with meticulously organized sectors, wide boulevards, and lush green spaces that offer a refreshing escape from the hustle and bustle of city life.

The city's architectural marvels, such as the Capitol Complex, Rock Garden, and Sukhna Lake, showcase the perfect blend of functionality and aesthetic appeal. Chandigarh is also a cultural hub, hosting vibrant arts, music, and culinary scenes that reflect its rich and diverse heritage.

As a city of innovation and education, Chandigarh is home to premier institutions that contribute to its dynamic atmosphere. The quality of life here is unmatched, with a perfect balance between work and leisure, making it an ideal setting for both residents and visitors.

Join us in Chandigarh for Psydermcon 2024 and experience the unique charm of this city, where every corner reflects a harmonious blend of nature, culture, and modernity.
